CAREERS

The Bard Group is a [community](#) of approximately 40 highly-motivated consultant, operations, and administrative staff.

About half of our consultants are [physicians](#) who bring their practice and management experience to the tasks of organizational integration, developing clinical service lines, and improving performance in healthcare organizations.

We provide a [working environment](#) that encourages employees to learn, grow, and contribute.

We have recently been acquired by [Navigant Consulting, Inc.](#), which allows us to provide our consulting staff with additional opportunities and resources.

Available positions

For more information on positions at The Bard Group, contact [Victoria Wong](#), Recruiting Manager, Human Capital, at [Navigant Consulting, Inc.](#) or send you resume to [resumes@navigantconsulting.com](#)
